FLASHVOTE: BLYTHE INVITES RESIDENTS TO HELP IMPROVE THE CITY

BLYTHE CA - Do you have about one minute a month to help make Blythe better? The City of Blythe is working with FlashVote, a public survey platform, to engage the community and gather valuable input from residents to inform our decisions.

We encourage residents to sign up here now: <https://www.flashvote.com/blythe> or call 775-235-2240 to participate by phone or text only.

Signing up takes less than one minute and your input is always kept anonymous. Personal or demographic information collected by FlashVote is never shared with the City or anyone else. When residents sign up, they can determine how surveys are received - whether by email, text or phone call. They will receive a notification whenever there is a new survey, and they will have 48 hours to participate before voting closes. Once a survey is closed, everyone who participated will automatically receive a summary of the overall results and be able to see how their responses compare to the group.

“As our city continues to grow and evolve, it’s important we involve our citizens in our decision-making process,” said Blythe Mayor Joey DeConinck. “We’re excited to offer our residents the opportunity to do that through our new engagement with FlashVote and look forward to seeing how they will help shape the future of our city.”

Sign up now so you don't miss the first survey – coming soon.
